

# Getting it Right: KS1 Reading

**Be confident you understand the KS1 reading and are accurately assessing your children's writing against the statutory framework.**

## Course Outline

Delegates will have the opportunity to explore and unpick through professional discussion led by a lead moderator subject specialist, the KS1 Reading statutory assessment criteria. Through this exploration of the statutory criteria, delegates will be equipped with the subject knowledge they need before having the opportunity to find examples in children's work.

### By the end of the course participants will:-

- experienced structured and supportive moderation
- leave more confident they can accurately apply the framework
- know which aspects they need to develop
- have identified practice from other schools that may be of benefit.

**Delegates will need to put together a collection of evidence for one child (at any standard) and have made an initial assessment against the statutory framework for the collection. Two further copies of the collection would need to be made and then brought to moderation.**
