

New beginnings at...

Why not take your learning outside with a **free visit** to a unique farm setting?
We are now taking bookings for 2019!

Our successful education programme at Mayfields offers youngsters hands-on exploration of the countryside, farm life and wildlife, through a range of exciting, curriculum-linked activities.

Options include:

- **Farm trails** - eg seasonal or sensory.
- **Habitat comparisons, pond dipping, minibeast safaris** - adaptation, food chains, lifecycles.
- **Bird discovery** – bird hide, birdwatching, bird beaks and birdsong!
- **Soils and composting** - compare soil and learn why it's so important.
- **Planting and growing** - lifecycles, pollination, seed dispersal, trees.
- **Working sheepdog displays** – and meet the animals involved!
- **Wonders of wool** - explore properties of wool and make woolly crafts.
- **See lambs on the farm** – from April.

New for Spring 2019!

A brand new, state-of-the-art enclosure for our red squirrels with opportunities for close-up experiences of this beautiful iconic species!

Please visit our website for more details of possible activities: mayfieldsfarm.co.uk

Our facilities:

- Purpose built classroom, toilets and handwashing facilities
- Fantastic raised bird hide
- Two ponds with dipping platforms
- Woodland boardwalk
- Enclosed educational garden
- Red squirrel breeding programme
- Working sheepdogs

Sessions are flexible and can be tailored to suit your requirements. Pre-visits welcome.

To enquire about booking a visit please contact the education officer **Teresa Linford**:
