Working Together to Develop Phonics and Early Reading

Myland Primary School are proud to have been selected by the Department for Education as one of 32 national English Hubs. We are now recruiting partner schools keen to improve their phonics and early reading outcomes to work with us. As passionate reading specialists, we would like to invite you to attend one of our FREE 'Showcase Events'. Events combine practical training, learning walks and networking, with opportunities to receive help with action planning. We are able to support with cover and travel expenses too!
