

Certificate at Level 4 in Leadership & Management in PE in Primary Schools

Leading PE – pupil experience is central to all decisions and planning.

Course Outline

This is our eighth year of running this programme and we are delighted to be working with Gateway Qualifications.

This course will enable you to lead and manage PE in your school. It covers all aspects of leadership and management and allows you the time to put ideas into practice, develop resources and formulate your schools PE offer to ensure it is one which both challenges and meets the needs of your young people.

By the end of the course participants will:-

- have evaluated and discussed current policies and practice for your own school
- have reviewed curriculum design and implementation relevant to the PE NC 2014 (including assessment)
- have explored accountability and monitoring of the quality of teaching and learning in PE
- be competent in key principles of Health and Safety in PE
- have knowledge on how to use the PE Premium to be impactful and sustainable.
