Grammar Party Toolkit: KS1

Educator Solutions

Get to the heart of grammar with this 'Grammar Party' toolkit aimed to help you quickly identify those grammar gremlins and leave the party with a toolkit of strategies to teach them in class.

Course Outline

Grammar is an important part of the teaching of English at KS1 and forms a substantial component of statutory teacher assessment. The grammatical expectations of the national curriculum can be taught in ways which are both fun and exciting and linked to writing attainment. The course gives delegates practical solutions to making grammar learning fun and sustainable in the classroom.

By the end of the course participants will:-

- explore the Year 1 and 2 grammar programme of study
- engage in a range of playful and practical approaches that can be embedded in future planning
- understand how grammar can be taught in a way which encourages children to apply their skills in writing
- be prepared for KS1 statutory assessment.
