Workshops

Use of technology

Kimberlee will ensure everyone is able to download books and resources from Bookshare and National Accessible Library.

Sighted Guide training

Our Habilitation Officers will show you how to safely guide a person with a vision impairment.

Classroom strategies

Looking at the Top Tips for making learning accessible for students with a vision impairment. These are simple strategies that are easy to implement but that could make a real difference to all learners, not only those with a vision impairment.
