

VSSS parent / carer survey 2019

We are trying to improve our services and would be interested to know your views regarding the support your child has received during the past year. Therefore, we would appreciate it if you could fill in the questionnaire (see link below).

Many thanks for your feedback and support.

Classroom strategies

Looking at the Top Tips for making learning accessible
for students with a vision impairment. These are
simple strategies that are easy to implement but that

could make a real difference to all learners, not only those with a vision impairment.
