

NORFOLK ENTERPRISE FESTIVAL SCHOOL PACK

2019

SATURDAY 13 JULY, 11:00 - 22:00
HOVETON HALL, NORWICH, NR12 8RJ

OUR STORY

The festival has been organised by a group of local entrepreneurs, for local entrepreneurs.

The idea for the festival was developed by George Freeman MP and Mark Lapping, along with a group of other founding members from the Norfolk business community.

The NEF is a **creative and fun way** to showcase Norfolk as a powerhouse of entrepreneurial activity. The festival provides a platform for SMEs, entrepreneurs, investors, budding business individuals and their **families**, to connect, share and learn from one another.

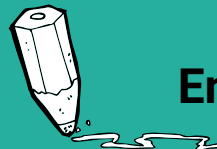

Last year the first ever NEF proved to be hugely successful, with over 40 speakers including Brexit Minister Stephen Barclay and artist Sir Antony Gormley. This year we aim to grow, offering interactive and engaging workshops, talks, and networking opportunities.

CHILDREN'S ACTIVITIES

Artistic Workshops

There will be CREATIVE workshops for children to take part in around the festival and Hoveton garden grounds; including our Forest School, Art & Graffiti Wall, Nature Walks and 'Walkshops'.

Enterprise Activity

Hethel innovation will be leading EXCITING and EDUCATIONAL Stem-Skill & enterprise workshops tailored towards budding entrepreneurs!

Dragons' Den

Where kids can see their peers pitch to a mock panel of 'dragons'. To inspire children to generate creative IDEAS.

Tech & Science

BE INVOLVED

Young people are the future of our county. Therefore we invite them to develop their skills at the NEF through fun, interactive and creative workshops covering enterprise, technology, STEM-skills, pitching, sustainability, nature, aero-rockets, podcasting and more!
