

Communication Support for Verbal Pupils with Autism Spectrum

Date	Wednesday 25th September—11th December
Time	9:45-12:15
Location	Ayton House, 11 Ayton Road, Wymondham, NR18 0QQ
Course Fee	£395 + VAT
Suitability	KS1—KS4, SENCos, Class teachers, TAs
Booking Deadline	Wednesday 11th September

Overview

This NEW UPDATED practical training course is specifically designed for staff working in primary and secondary schools to enable them to develop the communication skills of pupils with ASD and so enhance their learning, social interaction and support behaviour. The course takes place over 10 weeks.

Elklan training programmes are accredited courses, delivered by local tutors from Speak East. You will complete a portfolio, adding to it each week; this will help to put into practice what you learn on the course.

Learning outcomes

- Understand the nature of ASD and the impact it has on communication, learning and social development.
- Be able to support more effectively pupils with Autism and social communication difficulties
- Understand the link between communication difficulties and behavior
- Understand the role of non-verbal communication and the importance of structure

Speech and language support for 3-5s

Date	Wednesday 12th September – 20th November 2019
Time	9:45-12:15
Location	The Norman Centre, Bignold Road, Norwich, NR3 2QZ
Course Fee	£395 + VAT
Suitability	EYFS, SENCos, Nursery teachers, Early Years Practitioners
Booking Deadline	Wednesday 4th September

Overview

A practical training course for staff working in early years settings to help them maximise their children's communication potential and access the curriculum more effectively. This is the only accredited training in speech, language and communication that is aimed specifically at those working with 3-5s. It gives practical advice and strategies which are also suitable for children with English as an additional language and other special educational needs. The course takes place over 10 weeks.

You will complete a portfolio, adding to it each week; this will help to put into practice what you learn on the course.

Learning outcomes

- Build your confidence and skills to support the communication and language development of ALL children aged 3-5s years but especially those with speech and language difficulties.
- Give you practical advice and strategies to support parents and families with whom you work.
- Provide settings with a highly skilled workforce to help narrow the gap and improve the life chances of young children.
