

SLCN Marketplace event

July 4th 2019, 11am – 5.00pm

Woodside Community Hub, Witard Road, Norwich, NR7 9XD.

Following the review of provision for children with Speech, Language and Communication Needs in 2018 there will be a change to the referral process for Speech and Language Therapy, from 2nd September 2019. From this date referrals to East Coast Community Healthcare Children's Speech and Language Therapy will require all settings to be able to evidence a speech and language screen and one cycle of intervention prior to referral. To support settings to choose a recommended screening tool for their setting, and explore intervention tools, we will be hosting 3 marketplace events.

This is an opportunity for all early years and school practitioners to **drop in any time** to meet representatives from Elklan, ICAN, WellComm and Teddy talk to find out more about their resources and help you to choose screening and intervention packages for your setting. There will also be pop-up talks from some exhibitors to explain and demonstrate their tools, at the following times:

11.00 am/ 2.00pm **ECCH –information talk regarding changes from September 2019**

11.30-11.40am	ICAN	2.30-2.40pm	ICAN
12.15-12.25pm	Elklan	2.45-2.55pm	Elklan
1.00-1.10pm	WellComm	3.30-3.40pm	WellComm
1.45-1.55pm	Teddy Talk	4.15-4.25pm	Teddy Talk

Representatives from ECCH speech and language therapy will also be available to answer any questions about the changes to the referral process and to offer support to settings in implementing this, as well as to offer information about training and other resources available.

Please email ecch.speakeast@nhs.net with any questions
