Course outline at Steps 1 & 2

- Sound Discovery / Rapid Phonics structure and methodology
- How to assess and place pupils on the programme
- Delivery of the Snappy Lesson™
- Use of decodable texts
- Managing the intervention for success

Please nominate a member of staff, e.g. SENCO/Literacy Coordinator to attend sessions with Teaching Assistants: the role of managing the programme in school is fundamental to the programme's success. Teaching assistants attending the course will need preparation time to prepare materials and carry out assessments before delivering the programme in school.

Up to 18 places are available for training at the Professional Development Centre. Places will be allocated **on receipt of completed booking forms** which can be emailed or posted.

Letters of confirmation will be emailed to applicants placed on this course.
Please check that your places are confirmed. Early booking is recommended.
In the event of non-attendance, schools may be charged.
