

# NORWICH CATHEDRAL

Schools & Family Learning Department

## Explore Lent & Easter

Half or full day at the cathedral, or in your school,  
throughout the Spring term, on a date to suit you!

Starting with a Palm Sunday procession, then the Last Supper & on to Jesus' arrest in the garden, pupils then walk the way of the cross & explore the resurrection, thereby encountering the story of the first Easter. We also explore why Lent is such an important time of preparation for Christians around the world.

This half day or full day comprises: drama & story telling in the cathedral, plus a classroom based, Easter themed craft activity.
