

Step On Training 'Catch Up'

Has anyone missed out on your setting's Step On training?

Make sure all your staff are Steps certified.

Available to schools and settings where Step On certification is currently in place; this training offers an ideal opportunity to bring all staff up to date with the Step On approach to positive behaviour management.

Course Outline

- To promote a therapeutic understanding of behaviour
- To develop skills in communication, diversion and de-escalation strategies
- To develop a consistent approach to everyday physical interventions
- To become familiar with risk management documentation
- To understand law and guidance in the area of physical intervention
- To introduce skills for working with young people post-incident
