

Norfolk Steps Step Up Service Tutor Training

Course Outline

Investing in this two day course will enable you to become a Steps Tutor who is certified to provide Step Up training and consultancy within your own setting.

This course is open to staff from special schools and specialist services to enable them to train and support their staff in the Step Up curriculum. We encourage services to build a small team of tutors who can work together to continually influence practice as well as maintain Step On and Step Up certification within their service. Participants should be selected by the headteacher/manager and will need to be proficient and confident to deliver physical training within their setting. It is essential that the participant is already a Step On Service Tutor and they may only train staff within their own setting who are Step On trained.

Description

NORFOLK STEPS SERVICE TUTORS ARE CERTIFICATED TO BE A RESOURCE FOR THE SETTING IN WHICH THEY WORK.
SERVICE TUTORS ARE NOT CERTIFIED TO LEAD TRAINING OR CONSULTANCY ON A VOLUNTARY OR PAID BASIS OUTSIDE OF THEIR SCHOOL OR SETTING.

Tutors may ASSIST with the training across a broader collection of services such as an academy chain, federation or cluster, but training must be LED by their own service tutor or by the central Norfolk Steps team.
