

Effective Phonics

Plan effective and engaging phonic sessions and equip your children with the skills they need to become confident and fluent readers and writers.

Course Outline

In this comprehensive one-day course you will be taken through the principles behind planning a teaching sequence for phonics and be equipped with the teaching strategies needed for effective and engaging phonics sessions. You will leave with a wealth of ideas to help you to plan and deliver phonics sessions that engage and motivate your pupils to get them reading – fast, and for pleasure.

A range of teaching approaches will be modelled during the day and you will leave with a list of recommended picture books to complement your phonic teaching, along with a host of activities and games that the children will enjoy whilst practising and consolidating their phonic skills.

By the end of the day participants will:-

- Have an overview of the progression within phonics.
- Be fully equipped with the skills needed to plan effective and engaging phonic sessions.
- Feel confident with the core teaching strategies needed to deliver effective phonics.
- Leave with a bank of games that can be used and adapted across the phonics phases.
