

Achieving Greater Depth at KS2

What makes a greater depth writer? Hone your skills in spotting greater depth work and learn techniques for developing more able writers.

Course Outline

Spot talent in writing and make the most of it to unlock the best achievement possible in Key Stage 2. The session will provide a sound understanding of the characteristics of writers working at greater depth and give you the confidence to develop their talents in school. Using relevant, engaging examples of work, the session helps you to understand the key features of work at greater depth in Yr6. Leave feeling equipped to identify and develop writing potential, using practical planning and assessment tools in school to unpick skills, engage and achieve success at Greater Depth.

By the end of the course participants will:-

- Be confident in recognising work at greater depth in writing
- Have a range of techniques to generate opportunities for pupils to demonstrate required skills
- Have a range of teaching and planning strategies to use in their own schools.
