Children Partnership

Serious Case Review Roadshows “Making it Safe to Safeguard - Building Resilience in Staff and Service Users”

Learning Outcomes: By the end of the event participants should:

- Understand the impact of adversity in childhood and how we can use this learning to work with children, young people and parents/carers
- Be aware of how trauma, including secondary and vicarious trauma, impacts on our thinking and emotional response to danger and threat
- Have reviewed systems to support our ability to safeguard children effectively
- Have learned from examples of best trauma informed practice and considered ways to apply this learning across the safeguarding system
