Spiritual Healing. Do we need healers anymore now we have pills and surgery? Can complimentary medicine work? Is the age of miracles past? What is Spiritual Healing? Two healers from different faith traditions explain and demonstrate their beliefs, practices and skills, raise issues and answer questions.

Car Parking: There is no car parking at the venue and street parking is very limited but there is a Pay and Display car park in Golden Dog Lane (NR3 1HS) and it is just a short walk through the footpath into Colegate.

Entrance: If the blue door on the street side of the building is closed, please use the main/accessible entrance, which is through the Octagon car park and to the right of the Octagon building. (unfortunately we are not able to use the Octagon car park)
