

# **LIONWOOD THERAPEUTIC SERVICES**

## **DUE TO POPULAR DEMAND – SECOND **FREE** BRIEFING 'DEVELOPING AN UNDERSTANDING OF THE WHOLE CHILD'**

In response to local need, Lionwood Teaching School has developed its own therapeutic arm to offer bespoke training and development of school staff to support them to 'Understand and develop the whole child'.

Through our services we offer therapeutic support and advice by signposting or deploying the right service in response to a need.

This could be through in school training, courses run at Lionwood Therapeutic Services or through School to School support.

We have a bank of Lead Practitioners with experience in a particular niche which we can deploy to you for half a day or a day of support, advice or training. A list of this support includes;

- ☐ Building Resilience
- ☐ Trauma Informed Schools Training
- ☐ Support for Mental Health and Families
- ☐ Supervision
- ☐ Inclusion
- ☐ Whole School Behaviour Policy and Practice
- ☐ Speech Language and Communication Support
- ☐ Music Therapy
- to name a few.....
