

# Train to Teach with Suffolk and Norfolk SCITT

**Are you interested in training to teach?**

**Do you have a member of staff you would like to support in their Initial Teacher Training?**

Suffolk and Norfolk School Centred Initial Teacher Training (SCITT) is a well-established school-centred teacher training programme. We have twenty years of experience of training teachers for employment in a wide range of schools.

We are the largest SCITT in the country as we train over 250 trainees across all of our training routes. We are well regarded by local schools across Norfolk (and Suffolk) which is demonstrated by the number of schools which offer training placements and employ our trainees as newly qualified teachers.

We offer a Post Graduate Certificate in Education (PGCE), 60 Masters credits and Qualified Teacher Status (QTS) on all our routes into teaching in partnership with the University of Suffolk.

Our training routes are currently:

- Primary Tuition (full time)
- Primary Salaried (full time)
  
- Secondary Tuition (full time)
- Secondary Tuition (part time)
- Secondary Salaried (full time)
  
- Assessment Only (suitable for trainees with at least two years of school experience)
