

Foundation skills in Speech and language

NEW!

- *New support staff starting in your school?**
- *New to your Teaching Assistant role?**
- *Need a refresher of your skills for supporting children with Speech, Language and Communication Needs?**

Overview

This ***NEW*** two-day course will help you to understand the skills involved in talking and how communication skills develop. It will help you to recognise different types of speech, language and communication difficulties and explore ways that you can support these children in your everyday interactions. It will also provide you with some key strategies and activities to support children in your setting.

Learning outcomes

- Gain a basic knowledge of the skills involved in communication
- Be able to recognise different types of communication difficulties
- Learn key strategies and activities to support children in the classroom and beyond

An introduction to Word Aware

Teaching vocabulary across the day, across the curriculum

Date	Tuesday 5th May 2020
Time	9.30—4pm
Location	Sprowston Diamond Centre, School Lane, Norwich NR7 8TR
Course Fee	£110 (inc. VAT)
Suitability	SLTs, Class teachers, specialist teachers, Head Teachers, SENCos and Educational Psychologists

Overview

Word Aware is a structured whole school approach to promote the vocabulary development of all children. Focused on whole class learning, the resource is of particular value for those who start at a disadvantage – including children with Developmental Language Disorder, Special Educational Needs and those who speak English as an additional language, but it will extend the word learning of all students. It is a fun and engaging way to promote spoken and written vocabulary for all children across your primary school.

Talk about Talk

Secondary

Date	Monday 6th July 2020
Time	9.15am—2.30pm
Location	Sprowston Diamond Centre, School Lane, Norwich NR7 8TR
Course Fee	£82*
Suitability	Teachers, Teaching Assistants and Special Educational Needs Coordinators
Booking Deadline	Monday 29th June 2020

Overview

Talk about Talk Secondary (TATS) is an evidenced targeted intervention that helps students aged 14 to 18 with poor communication skills to be ready for the work place. The programme consists of a series of 13 fully planned one-hour lessons delivered by trained teaching or support staff. Students work towards co-delivering workshops about communication skills to an audience in their school and then to local businesses. Workshops help students apply these skills and a range of tools help them reflect on their progress throughout the lessons.

Learning outcomes

- Gain an understanding of the TATs programme
- Learn how to deliver TATS intervention groups in your settings

***If not already held by your setting you will need to order Talk Boost resources prior to the training directly from ICAN. Please see the Ican web site regarding TATs resources .**

SLCN Survival Course Primary Schools

Date	Thursday 23rd April 2020
Time	9.30 - 3.00pm
Location	Sprowston Diamond Centre, School Lane, Norwich NR7 8TR
Course Fee	£10 (including lunch and refreshments)
Suitability	Primary school SENCOs, teachers and teaching assistants
Booking Deadline	Thursday 16th April 2020

Overview

This 1 day course is an opportunity for you to update your knowledge in supporting children and young people with speech, language and communication needs (SLCN) in your school. This course provides:

- updated information about appropriate tools to audit, identify and support SLCN within your setting
- ideas to support pupils at a universal level across the curriculum
- Information and ideas for developing vocabulary across your school
- Information and advice for supporting children who stammer

Over lunch there will be time to network with representatives from local charities and companies, to learn about how their services can support your staff and the young people and families that you work with.

Language in the Little Years

Speech and language training for Early Years Practitioners

Speech Sounds

This half day course covers typical speech development and how you can identify if a child's speech is not developing as expected. It teaches strategies to support children's speech sounds development, linking to the EYFS and 'Letters and Sounds'.

Your Interactions

Our days are full of communication opportunities. This half-day training course will help you learn how to make the most of these to support the children you work with to develop their language skills. Reflect on different communication styles, and learn how to adapt your interactions to make a difference in your setting.

Your Settings

Early Years settings provide countless opportunities to develop children's communication skills. This half-day training course will help you develop the skills to make your setting more communication friendly. Reflect on how small changes to your practice can make big differences to the communication of your staff and children in your setting.

All courses are suitable for staff working in the EYFS (SENCOs, Nursery teachers, Early Years Practitioners)
