## Critical Incident

### Managing critical incidents, bereavement and trauma in school communities - Zoom

#### Outline

This session has been arranged to help senior leaders consider the impact of critical incidents, bereavement and trauma in their school communities.

It is free to all Local Authority Schools and those academies and independent schools, which subscribe to the Critical Incident Service. (All other settings are charged £50)

#### Description

We would like to offer you training in managing Critical Incidents, including guidance on how to offer appropriate support, considering short term and long term issues, managing bereavement, as well the importance of leadership in such an incident. We will consider some of the particular issues that may arise due to the current situation.

#### Outcome

- To feel confident about managing critical incidents, trauma and bereavement in your school
- To be aware of short term and long term issues in a Critical Incident
- To gain knowledge about support available for your school community
- To consider particular issues due to Covid-19

#### Audience
