

"Thank you very much for the training course . I thoroughly enjoyed the presentation . It was very informative and contained so much useful information that I can feedback in my setting."

"Great training, even not being delivered face to face I felt it was interactive, enjoyable and engaging – well done and thank you!"

"The trainer was incredibly knowledgeable with lots of new ideas to use, I'm sure I will use these tools to support all children and families in order to educate families on the importance of those early language and communication needs!"

Our training sessions will continue to be offered online for Spring 2021.

Our short courses will stay at a reduced cost of £20 per session.

As well as our short courses, we will also be offering Early Talk Boost and Talk Boost KS1 online at the end of the Autumn term and in the Spring term.
