Teaching & Leadership

## PROGRAMME AIM

This programme is targeted at classroom teachers who are passionate about teaching and learning, but recognise and understand that making a commitment to their own professional development will take them to another level.

The programme will enable teachers to develop their subject leadership role by developing an understanding of effective subject leadership and developing their leadership and coaching skills. They will have the opportunity to share, network and support other delegates on their leadership journey.

## SESSIONS INCLUDE

- What is effective subject leadership?
- Auditing your subject
- Coaching skills
- The power of empathy
- Leadership skills
- Deep dive
- Monitoring and action planning
- Feedback and difficult conversations

## SCHOOL-BASED PROJECT

Throughout the programme delegates will be encouraged to undertake a school based project to drive their subject forward:

- Working with your Headteacher you will identify one area within your subject that needs to improve.
- You will write an action plan, implement it, measure the impact and report back to the group.
- Through the coaching process you will be able to review and refine your plan and process to improve its impact.
