

# How can the Norfolk Healthy Child Programme help your Early Years childcare setting and families?

Join us and other early years settings online for an update about the health services we can offer.

Share ideas & experiences with other Norfolk early years settings and childminders and find out about support and resources available.

**Monday 25th January 2021**

**6:30pm - 7:30pm**

Please contact Michelle via email or phone to book onto this online session and receive a joining link.
