

# EAL Interventions: what to teach

## Inclusion and Opportunity Service

**This online course contains key principles when setting up intervention groups for English as an Additional Language.**

**The course will explore:**

- the principles that underpin excellent provision for EAL
- language barriers when learning mathematics
- the implementation of appropriate methods and techniques in daily teaching to ensure EAL improve their functional English skills and analyse the difficulties presented by English grammar and mathematics language.

**Online learning through EAL Norfolk – Moodle cloud:**

Our new user-friendly platform will allow you discover and study courses in your own time, much of the learning can be done as part of your weekly workload and you will also get bespoke support, tutorials and feedback along your journey.

**Course Ref:** EAL-GRT-EL-T001  
**Cost:** £50.00 (admin fee)

**Delegates will be contacted as soon as booking has been confirmed.**

**Cancellations:** An administrative charge of £25 will be made for any non-attendees where a replacement is not sent or 48 hours' notice given.
