

Early Career Framework and National Professional Qualifications - Inspiration Teaching School Hub

Register your interest now

For all schools within South Norfolk, Breckland, Great Yarmouth and Waveney, the Inspiration Teaching School Hub is your local provider for the Early Career Framework (ECF), National Professional Qualifications (NPQ) and Continuous Professional Development (CPD) opportunities.

The Early Career Framework provision, and the National Professional Qualifications will be delivered by ourselves in partnership with Ambition Institute.

What you need to know

The key consideration for schools is which package to opt for in relation to delivery of the Early Career Framework. The DfE is strongly encouraging that schools opt for the Full Induction Package (FIP). The benefits of this are:

- It is fully funded
- It is designed by national providers
- It is delivered locally by Teaching School Hubs.

Please note that Appropriate Body (AB) provision is different to the Early Career Framework (ECF). Teaching School Hubs are required to provide AB services and local authorities will also continue to act in this capacity (e.g. Norfolk LA). Please contact us directly regarding AB provision as we can advise as to your options.

What will Early Career Teachers (ECTs) cover as part of the framework?

The content of the early career framework, including best practice in relation to behaviour, classroom instruction, curriculum assessment and self-regulation.

- What effective teaching looks like, putting them on the path to becoming an expert in teaching.
- How to keep getting better, so they can continue to improve in their careers.

The National Professional Qualifications are changing

From September 2021, there will be a reformed suite of National Professional Qualifications (NPQs) for those who wish to develop their knowledge and skills in school leadership and specialist areas of teaching practice.

The reformed NPQs are:

- NPQSL (Senior Leadership)
- NPQH (Headship)
- NPQEL (Executive Leadership)

It will also see the introduction of 3 new NPQs for teachers and leaders who want to develop their expertise in specialist areas of teaching practice.

These NPQs are:

- NPQLBC (Leading Behaviour and Culture)
- NPQLT (Leading Teaching)
- NPQLTD (Leading Teacher Development)

On the 7th (Norfolk) and 12th (Suffolk) we will be hosting a webinar event to launch the NPQs at the Inspiration Teaching School Hub. Look out for future bulletins that will include details on how to register the event, or speak to us directly to find out more.

We look forward to working with you, your Early Career Teachers (ECTs), their mentors and those who opt to do a NOQ, over the coming months.

For more information or to register your interest, please contact Jodie Potter at inspirationteachinghub@inspirationtrust.org or call 01603 733446.

Alternatively you can find us on Twitter [@InspirationTSH](https://twitter.com/InspirationTSH) or [our website](#) and follow the link to the TSH.
