

Primary English Leadership Briefings

Keep up to date with an ever-changing educational landscape and the latest resources available to support oracy, reading and writing in the classroom.

A series of six sessions across the academic year. Four of the sessions will be live webinars and will focus on updates in English education including, DfE, STA, Ofsted, EEF, English Hubs and Subject Associations and two of the sessions will be face to face enrichment sessions where delegates will be able share books and resources and collaborate on effective approaches to teaching English. Each session will give delegates the opportunity to ask questions, to receive bespoke advice and share their experiences with other English subject leaders.
