

Supporting children with Cerebral Palsy

Norfolk
County Council

A classroom led approach led by a multi-professional team

This two day training event aims to help support staff and teachers in mainstream **Pre-school, Primary and High** schools understand and develop strategies to meet the needs of children with Cerebral Palsy in their school/setting.

Participants will learn about Cerebral Palsy, and the various ways it affects child development and daily functioning.

A range of professionals will be involved including:

- Occupational Therapy
- Physiotherapy
- Speech & Language Therapy
- Access Through Technology Team
- SENCO

Day 1 is a theory day, involving presentations from a number of speakers.

Day 2 takes place a few weeks later, to allow delegates time to consider matters related to their particular circumstances/child in the context of learning from Day 1.

Delegates will participate in virtual workshops, view all the different equipment and will have time to talk through questions.

Book your place here -
