Find out more about a career in construction

Pathway into Construction

Featuring CV, employability, and guest speaker workshops in partnership with local industry experts.

These free accessible 6-week introductory courses offer you the chance to learn a trade or explore a career in the construction industry. Come and learn the basics, whether you are considering a career or want to make some home improvements; these courses will get you started.

WE CAN HELP GET YOU LEARNING*

We can support you with the cost of:

- PPE equipment
- Travel to and from classes – bus/train/taxi fares or petrol and parking
- Childcare

*If you are unemployed or your income is less than £31,641. Support is available for the 6-week courses.
