

Supporting learners with SEMH needs

This twilight session will provide settings with a range of tools to support learners with SEMH needs and an understanding of how they can access additional support from the Inclusion and SEND team.

Inclusion Advisers and Behaviour Advisers will provide an overview of the SEMH and Transitions service and Norfolk Steps approach. There will time to ask questions during the session.

By the end of the session participants will:

- Understand the role of the SEMH and transitions team.
- Know how to make a referral to the team.
- Be aware of the types of support the team can offer.
- Have access to key guidance and resources.
- Have an awareness of the Norfolk Steps approach and how to request training.
