

Teaching school hubs are school-led centres of excellence for teacher and leadership training and development. Inspiration Teaching School Hub has an ambitious vision to offer outstanding provision for schools in our area and beyond.

We deliver the Early Career Framework (ECF) programme, National Professional Qualifications (NPQ), Initial Teacher Training (ITT) and Continuous Professional Development (CPD).

Continuous Professional Development (CPD)

As a teaching school hub we are committed to addressing remaining unmet professional development needs in our area. High quality CPD is the means by which professionals in the education sector maintain, improve and broaden their knowledge and skills and this has a direct benefit for individuals, schools and for the quality of outcomes for our young people.

In order for us to support local needs, we would like to conduct a thorough analysis across our hub area. Our hub area covers South Norfolk, Breckland, Great Yarmouth and Waveney and if you are within these areas, please take 5-10 minutes to complete the below form.
