

EYFS: Statutory Assessment Networks – agreement trialling

Outline

This agreement trialling session is the final session in a series of training opportunities for those working in Reception classes, this year. It gives all Reception teachers the opportunity to moderate with colleagues either at a venue or online. Delegates who have not attended the previous training sessions for this Statutory Assessment Network are very welcome. As with all of our assessment training, the training videos and resources can all be found by following this link to the Norfolk Statutory Assessment and Testing webpages: [Resources for EYFS teachers - Schools \(norfolk.gov.uk\)](https://www.norfolk.gov.uk/education/eyfs/assessment)

Delegates will receive a training video to enable them to prepare for the live meetings. The live meetings will be **2.5 hours in length** and delegates will have the choice of 3 dates where they **either attend the PDC or the Ffolkes Arms in person, or they join the event via Microsoft Teams**. See below for further detail of the content, venues, dates, times and booking course codes.

Description:

The training will consist of:

- **Video training** – Delegates will be sent a video training session that will take them through the use of the new exemplification materials; practice making assessments against the Early Learning Goals using some observations; and key information to support fair and accurate assessment for all. The video training will be sent to all delegates when they book onto one of the events below via assessment@norfolk.gov.uk.
- **Meetings** – The live meetings will either be face to face or online. At these meetings we will firstly discuss the exemplification materials. Following this, delegates will be shown 2 interviews with teachers discussing a child from their class. Delegates will be asked to discuss the judgements made by the teachers, share any questions they may have and state whether they agree or disagree, justifying their thoughts. Finally, delegates will be asked to discuss 2 children from their own classes whilst a colleague acts as a moderator to agree or disagree and justify their responses. **Delegates will be asked to have given prior thought to the attainment of 2 children in their class, considering all ELGs. They will need to be able to discuss these 2 children in detail at the live meeting. We would recommend that delegates consider discussing a child who shows the expected level of attainment and a child they might find more difficult to assess.**
- **Electronic documents** – useful resources will be shared in the Padlet to support accurate assessments

Audience:

Year R class teachers, colleagues from Y1 or YN, mentors, teaching assistants.

Booking information:

This training is fully funded for maintained schools and is part of the Norfolk subscription for monitoring statutory assessment for academies and free schools.

When you book onto a live session, you will also receive the video training.

The live sessions:

Date and time	Venue	Booking
17.5.2022 (0900-1130hrs)	PDC, Norwich (face to face)	To book, please send your name and email address and the dates, time and venue you would like to book onto, to assessment@norfolk.gov.uk
