

TACKLE LEARNING

We have some great resources to help your children with starting school or moving to high school this September!

Working in partnership with Norwich City Community Sports Foundation, Adult Learning have produced some short workshops for you and your children giving you tips and tricks to help make the transition to school or up to high school positive and stress free.

Scan the QR code or visit:

www.communitysportsfoundation.org.uk/programmes/tackle-learning/

We also offer a range of other courses for you and your children to enjoy in a whole range of subjects. Visit our website for more information.
