Biotechnology at its Best - Key Stages 3, 4 and 'A' Level

A new range of ready-to-use practicals will be presented in this session. The NeoScience Kits embrace the scope of biotech practice in industry and make it available for practical use in the school labs. This course is suitable for Key Stages 3, 4 and 'A' level including Y7 in middle schools.

During this session we will look at:-

- simple gel electrophoresis
- DNA fingerprinting
- use of bioluminescent proteins
- a range of other possibilities for development.

Any school wishing to pursue curriculum delivery through microscience should be aware that a significant capital outlay would be necessary.

Refreshments will be provided.

Course Leader: Mark Hynd, EDU-LAB

Cost: £60.00

| Date | Time | Venue | Activity Ref. |
|-----------|-------------|-----------------------------|---------------|
| 25/9/2003 | 1.30 - 4.15 | Turner Road Centre, Norwich | 3SN007 |
