Assessment in Science at Key Stage 2

The course will focus on assessment procedures for experienced subject leaders/assessment coordinators in Science.

By the end of the course participants will:

- be clear about the performance of pupils in the end of Key Stage 2 national tests, and priorities for the future
- be able to identify the features of performance of groups of pupils, e.g. boys, the more able, etc.
- be aware of effective strategies for assessment for learning and tracking pupil progress in science.

Delegates will be asked to bring to the course examples of Year 6 children's work, with the focus on scientific enquiry, from low, medium and high range abilities.

Refreshments will be provided.

Course Leader: Steve Cumberworth
