

INSET**Mathematics / Numeracy**

Raising Standards in Mathematics Using the Number Line

The content and materials used on this course have been developed through the Norfolk Number Line Project.

Objectives:

- to understand the purpose of using number lines
- to develop understanding of number concepts
- to explore a range of resources available and have a practical understanding of their effective use
- to become familiar with the Norfolk Numberline Guidance.

Please can you bring with you the Norfolk Numberline Guidance

Course Leader: Constance Tyce & Sue Crawford-Condle

Cost: £115.00
