

Inspiration Teaching School Hub training for Early Career Teachers

Inspiration Teaching School Hub is now accepting registrations from schools with ECTs starting in September! You can register your school with us via our website [here](#).

As well as registering with a delivery partner (teaching school hub), any school that offers statutory induction also needs to register its ECTs and mentors via the DfEs '[manage training for early career teachers' portal](#).

If you would like more information on Ambition Institute's ECF full induction programme, delivered by Inspiration Teaching School Hub, please do not hesitate to contact us on inspirationteachinghub@inspirationtrust.org.

If you would like some more information on any of our other offers, or if you would like to receive our regular communications, please email inspirationteachinghub@inspirationtrust.org or phone 01603 733446.
