

Primary School Opportunities 2022/23

Working together to create an indispensable community for Maths staff through collaboration and high-quality training.

Create transformative leadership and culture that promotes a mastery approach to primary mathematics teaching and learning.

Embed a Teaching for Mastery approach across the school

All Work Groups are **free** to attend, with Development and Embedding offering additional **funding** for schools

Develop teachers' mathematical and pedagogical knowledge of a mastery approach in the primary classroom

Secure a whole school approach to sustained change in mathematics

Deepen subject knowledge in the teaching and learning of primary mathematics for:

- EY Teachers – Number Patterns and Structures
- EY Teachers – Pattern, Shape Space and Measures
- KS1/2 Teachers
- TAs
- Early Career Teachers

Develop a consistent approach for Key Stage 2 and 3 teaching and learning

Secure firm foundations in additive relationships and the development of good number sense for all children from Reception through to Year 1 and Year 2
