

### **Early Career Framework (ECF) - [How to register](#)**

Inspiration Teaching School Hub has chosen to partner with Ambition Institute for their provider-led ECF programme.

Ambition Institute's funded Early Career Teachers programme delivers the government's Early Career Framework. It offers a tried and tested two-year support package for early career teachers to increase their confidence in teaching effectively, and helps more experienced teachers to become supportive mentors.

Let's work together to give teachers at the start of their journey the best possible chance of a long, fulfilling and life-changing career. [Here's how you can register.](#)

### **National Professional Qualifications (NPQ) - [How to apply](#)**

In partnership with School-Led Network, we will continue to offer the reformed suite of NPQs introduced in 2021 across our region which includes South Norfolk, Breckland, Waveney and Great Yarmouth. We will also be offering two new NPQs in Early Years Leadership and Leading Literacy.

School-Led Network's NPQ programmes provide flexibility and expert support. Their school-led ethos means that all facilitators are working in schools in a role relevant to the course. [Here's how you can apply.](#)
