

The Greatest Invention Ever?

Explore the history of climate change through a new KS2 schools event at Gressenhall Farm and Workhouse.

- Links to Science and History curriculums
- Free launch dates 1st, 2nd and 3rd November
- Travel bursaries available
- Book now! Spaces limited

Where did it all go wrong? This exciting cross-curricular activity day for KS2 will visit four moments in human history when humans changed the world. Explore our collections and discover the consequences of some of our greatest ideas. Plough a Neolithic field, cast a bronze age axe, harness the power of steam, explore the miraculous properties of plastics and make an environmental pledge for the future.
