

ELIZABETH JARMAN
THE COMMUNICATION FRIENDLY SPACES APPROACH

‘Evolving Effective Environments’

a presentation by

Elizabeth Jarman

Tuesday 27th September 4.00pm-5.30pm Via Teams

Join our network meeting for this **FREE** presentation demonstrating how the underpinning principles from The Communication Friendly Spaces™ Approach have been used in practice

Learn from case studies how close observations can support our understanding of preferred contexts for learning in order to make informed, flexible, low-cost changes which impact positively on children’s communication skills.

You can also find out more about The North Norwich Communication Hub and the free opportunities we offer to schools and settings in Norfolk.

Anyone is welcome to join this meeting, but it will be particularly relevant for staff working within the Early Years or Key Stage 1.

All those who attend will be entered into a prize draw to win a teepee Tent.

Please contact Eileen Maceachern (senco@milecrossprimary.norfolk.sch.uk) to receive a joining link or to find out more about our Communication Hub.
