

KS2: Multiplication Tables Check Briefing

Outline

This is an online briefing which will take delegates through roles and responsibilities involved in administering the Multiplication Tables Check at the end of Y4. Delegates will be given an overview of check administration and detail of what must, should and could be done in preparation and during the administration of the check.

Description:

The briefing will cover:

- Preparation for the check period
- Statutory responsibilities of school staff
- Access arrangements
- Best practice
- **Electronic documents** – a check administration checklist will be shared containing all you need to know as a Y4 teacher, along with statutory guidance and supporting resources.

Location:

Online via Microsoft Teams. The link will be sent to delegates 48 hours in advance of the briefing. Please ensure that the contact details for the delegate is accurate on the S4S booking system.

Audience:

Year 4 class teachers (established and new), senior leaders, maths and assessment leads. teaching assistants

Booking information:

This training is fully funded for all maintained Norfolk schools and for academies who subscribe to Norfolk statutory assessment monitoring services. Places will be limited to 3 delegates per setting, initially. Academies who do not subscribe to Norfolk monitoring services are welcome to book places and will be charged £20 per delegate.
