Wensum English Hub

## How can the Accelerator Fund benefit your school?

During the academic year of 2022-23, Wensum English Hub will be supporting schools in Norfolk and Suffolk via our Accelerator Fund support offer.

Accelerator Funding serves as a middle ground between our existing medium level support and our intense partner school support.

The following schools may be eligible for up to £9000 outright funding towards a chosen validated SSP programme. State funding schools who may be eligible for funding include:

- Good/outstanding schools
- Junior schools
- Special schools
- PRU with primary aged children

Schools can apply for funding via our [website](#).

For further information on Accelerator Funding visit our [website](#) or [contact us](#).
