Numeracy

Key Stage 3 Maths for Middle Schools

This course is intended for teachers of year 7 and subject co-ordinators, to keep abreast of the mathematics training available for the National Numeracy Strategy at KS3. It will be delivered by the KS3 numeracy team with the support of KS2 colleagues. The course content is in line with the mathematics training being delivered to all teachers involved with KS3.

Session 1 - Geometrical reasoning 1 - Approaches to developing pupils' visualisation of Geometrical reasoning skills. Progression towards geometric proof.

Session 2 - Ratio and proportion 1 - To explore ratio and proportion as key mathematical ideas in both number and algebra.

Plenary - Key Stage 3 issues arising

Twilights will run from 4.00 - 6.30 and will include one session only and the plenary.

This course will be led by a member of the Key Stage 3 Numeracy Team.
Please bring along your 'Framework for Teaching Mathematics Yrs 7,8 and 9.

Cost: To be £0.00 There is no charge for this course. Fully funded SFG3.
