NEW Assessment

Preparing for End of Key Stage 2 Assessment for Teachers New to Year 6

This half day course is for new Year 6 teachers or teachers who have not taught Year 6 for some time. It will focus on administration and strategies and can stand alone. It would, however, best be supplemented by the full one day course advertised overleaf.

If teachers wish to attend both this half day and the full day session, then a discounted price of £150 will be payable.

By the end of the course, participants will be clear about requirements for assessment at the end of Key Stage 2, including:

- special arrangements for individual children;
- strategies for managing the tests and planning appropriate revision;
- have gained experience of standardising samples of children's work in order to support teachers making end of Key Stage Teacher Assessment judgements.

Course Leaders: Members of the Primary Advisory Team.

Participants will be requested to bring samples of children's work.

Refreshments provided.

Cost: £55.00
