Dear Colleague

Norfolk Education Advisory Service wishes to facilitate the development of a Secondary Teachers Network for Media Studies. As with other teacher's networks, it is intended that the Media Teacher's Network will provide a forum for open professional discussion and mutual professional support. Meetings are free and are facilitated by the Adviser for the Promotion of the Arts in Schools. It is intended that the meetings will, in time, be led and developed by the teachers themselves. The issues explored will be those highlighted by teachers as of most immediate relevance and importance to them as practitioners.

The initial meeting will be held at the Professional Development Centre, Norwich on Tuesday 11th June 2002. The meeting will start at 4.30 pm and finish at 6.00 pm. There will be tea/coffee available from 4.00 pm.

Please complete the attached form and return to Joy Smiley by 31st May 2002 at the Professional Development Centre.

Yours sincerely
