## Creativity and Music

The course will examine an understanding of creativity in music and in music education. Course participants will be expected to join in some practical tasks and activities as we explore the features of creativity, the processes of creativity and how they relate to music in school.

The course objectives are to:

- understand the nature of creativity in music education
- identify strategies for developing creativity in and through music education
- identify strategies for developing music creatively.

Course Leader: Maureen Hanke
