## **Music Conference: Key Stages 3 and 4**

This is a music conference organized for Norfolk Music Education Service staff and KS3 teachers. The opening sessions will be led by Tony Knight from QCA and a guest speaker on the theme of 'Beyond the Joined up Thinking'. We look forward to an update of the developments within curriculum and instrumental teaching - in particular how the education forum see the vision and reality of music education at KS3.

Following an open forum, the day will be devoted to KS 3/4 workshops; improvising and performing through Steel pans, Singing and Brazilian music.

The course objectives are to:

- update our knowledge of national initiatives
- increase musical skills and knowledge for teaching KS3/KS4 music
- increase musical skills and knowledge for instrumental teaching at KS3/KS4.

Course members will need to feel musically confident and enthusiastic as the day involves music making.

Course Leader: Maureen Hanke
