## ICT in Music at Key Stages 1 and 2

'Pupils should be given opportunities to apply and develop their ICT capability through the use of ICT tools to support their learning.' Participants will be able to examine appropriate computer software for music in school and examine the ways in which it can support teaching and learning in music.

The course objectives are to:

- learn about the software available on the Norfolk Toolbox, RM windows and other appropriate software
- understand its application to music teaching and learning.

Course Leaders: Sheila Denny and Maureen Hanke.

**Cost: £60.00**
